

María Paz Viñas

Piano Teacher and Choir Director

My artistic musical experience has been very rich in various settings, including schools, where I was able to practice my profession as a Choir Director and Music Teacher, both at the Primary and Secondary levels.

I have been performing piano concerts since I was 8 years old and currently collaborate with different musicians on recordings, covers, as a pianist and singer.

When I turned 30, I had the opportunity to perform my own works as a solo pianist in the main hall of the Teatro Colón in Buenos Aires.
