✦ MY EXPERIENCE

March - December 2023: **Modum Academy**

I gained knowledge in trichology, color theory, visagism, blow-drying, event hairstyles, hair treatments, various women's haircuts, men's haircuts, balayage and babylight techniques and hair coloring. In November 2023, I began working as Cris's assistant, which allowed me to significantly improve my skills and reduce my service times.

October 2024 - now: **Hairdesser in Haircris**

I have been working independently at the same salon where I completed my training. It is a high-end environment with excellent professionals, which allows me to keep learning every day from my colleagues. My strengths include haircuts, gray coverage, toning, hairstyling, and hair treatments.

+ August - November 2024: Beautypoint

I completed a blended (online and in-person) expert makeup course, taught by instructors with over ten years of experience working with MAC.
