Dear Elanny,

Congratulations! In recognition of your successful completion of the Spinning® instructor exam, we are pleased to present your official Certified Spinning® Instructor card. This card is proof that you have completed the comprehensive Spinning® Instructor Certification program and that you have the knowledge, skill, motivation and desire to help others maximize their fitness potential in and out of the Spinning® studio. Mad Dogg Athletics® is proud to recognize you as one of more than 250,000 Certified Spinning® Instructors—the best indoor cycling coaches in the world.

Your certification is valid for two years from the date of your Spinning® Instructor Certification live training day. During this two-year period, keep your skills up-to-date by taking advantage of continuing education opportunities through the SPIN® continuing education program. You can earn SPIN® continuing education credits (CECs) from Spinning® workshops, online courses, quizzes in Spinning® Instructor Newsletter and the annual World Spinning® and Sports Conditioning (WSSC) Conference. Just earn a minimum of 14 SPIN® CECs every two years to maintain your certification. Also, many of our events and courses provide CECs from other certifying organizations which will help you renew your primary fitness certification(s). Refer to the certification renewal web page at www.spinning.com/certification_renewal for current renewal information and requirements. For instant access to your SPIN® CEC history, visit www.spinning.com and click on My Account.

If you have any questions about continuing education, please give us a call at 1.800.847.7746.
